JUNE 1983

Notice of Annual 164th Infantry Association Reunion 1983

To all members, their wives, sweethearts or associates of the 164th Infantry Association.

It seems like only a short time ago many of us were meeting in ST. Paul in attendance of the gala reunion put on by the able group in Minnesota. Time is fast passing us by and we can't at our ages afford to pass up the opportunity to get together at our reunion.

This year the Reunion is to be hosted in Bismarck, ND under the very capable direction of our president William W. Tillotson and our general chairman Ralph L. Gaugler.

All activities are scheduled to be held at the KIRKWOOD MOTOR INN located at 800 South 3rd St., Bismarck, ND 58501. On the 14, 15 & 16 Oct. 1983. The varied committee heads assure that the 41st anniversary Reunion is to be as memorable and as pleasurable as those in the past. Really most of us are at an age when we can't afford to miss any of the reunions when you think about it the average WWII Vet is in their mid 60's the WWI Vets are in their 80's and the Korean Vets are by in large in their 50's so think about it. For those of you who have never attended one of the

164th reunions you have been missing a time to renew old friendships for there is nothing else like it, a time to meet your old buddies and make new friends with people who have been there and know what it's all about. Some of your experience bear repeating for even after 40 years only you know of your escapades etc. and sharing them in reminiscence with old friends. What better way is there to spend some time than socializing with old buddies in passing a memorable weekend. There will be good food, lighter spirits good music for dancing and of course the one very important ingredient you and yours. We are looking forward to seeing you there.

Sent in by Lloyd J-Morrel
Regional Commander
Far West Chapter
Americal Division Veterans
Association
Edited & Condensed for the 164th
Paper at Bismarck

Our thanks go to Lloyd for his concern and interest. He states; "We tried it and from all comments and participation it was a real success. The facilities were more than adequate in fact were termed excellent. I have received many complimentary notes since the affair. The troops started to gather on Friday evening and even after 40 years the old "war" stories were flying thick and fast so that by midnight it was almost knee deep.

Saturday saw the main meeting get started in earnest at 1:30 PM, it being kicked off by our regional commander followed by our National Commander Bill Dunphy, from Boston. The Southern California Group Commander, Norman Mullins (of the 182) talked about the Southern Group's activities and plans. A very interesting talk and slide show was presented by Glen Kendall, (196th Lt. Inf. Bgde, Americal-Vietnam) Glen was a company commander of the Americal Div. during the Vietnam period. He related many experiences and answered many questions. he is very involved in Vietnam Veterans rehabilitation. During the break the film "The Americal Division" was ran for those who cared to watch. Ample food was the fare for supper in fact more than could be eaten. At 8:00 P.M. the 7 piece Devil Mountain Dixieland Jazz Band presented 2 hours of foot stomping, hand clapping music that had folks dancing all over the place. Bill and Hellen Dunphy got caught up in the Scintillating Rhythms and led a snake dance around the room, with most members joining in the fun.

Sunday morning all joined up and traveled about 10 miles to the California Maritime Academy for the days activities, as guests of Rear Admiral Rizza, Comondant. We were escorted by Midshipmen throughout the CMA Training Ship "Golde Bear". This becomes notable only after realizing the "Golden Bear" is the old troop transport "Crescent City". This brought back many fond memories of another time aboard this ship for the numerous members who left her decks to go ashore at Guadalcanal, Bougainville and other idyllic islands. At 12.15 hours 45 Navy commander (Chaplain) E. J. Cragen con-

ducted memorial services on the aft deck and US torpedoman Glenn Griffen sounded "Taps". National Commander Dunphy dropped a memorial spray of flowers over the side (in tribute to those who went before).

Dry eyes were the exception. Lunch was served at the Midshipmens Mess, followed by a Welcoming speech by Admiral Rizza, who during WWII days had been assigned to the same transport group as the "Crescent City". After lunch the 35 piece East Bay Banjo Band entertained for a couple of hours, and was enjoyed by all. at least there was alot of hand clapping and singing and best off no one left early. The convention was adjourned at 1600 hours.

For those who could not make it we are sorry, for those who could have and didn't, you missed a good time and for those of you who did make it know we are going to do it again bigger and better.

Signed Lloyd Morrell

Some Notes: Earl Johnson (164th) came all the way from Grand Coulee, WA, accompanied by his faithful horse, in a trailer. Earl was going from here to South Dakota for the summer. Dave Scott (182nd) irrepressible as ever tried to show everone all the places he had to chip paint on the "Crescent City" to atone for all his misdeeds while on board.

Norm Mullin (182nd) dazzled everyone with his uniform of the day including decorations, thanks to his wife Mae. Mel Huer (164th) came in from Seattle, Wa and spent friday night calling his old buddies, getting them out of bed. Says he has to go back and make a report to Dr. George Schatz (164th) on the activities. George was the very popular Regimental Surgeon, but unfortunately he couldn't make this trip. Governor Allen Olson, North Dakota sent his best wishes to members

of the 164th, as did Governor James Thompson, Ill. to members of the (132nd). For some reason the Massachusetts Governor did not respond.

Cols. Art Timboe and Howard Smalley, 2nd & 3rd Co's 164th sent their regrets in as much as they would not be able to make this one, but sent their best to their former troops and assured they would try to make the next one. The 164th was well represented and a lot of old times were rehashed.

The Far West Chaper has a large number of former 164th members and growing rapidly. There are 16 band members of the 164th here on the coast and starting to join up. Next time around they may be able to entertain us.

Coming Events. The Northern California Group will meet in October. Mid-May 1984 No. CA will have a family picnic at the CA Veterans Home in Yountsville, just north of the bay area. A fun day is in the planning with many activities.

The Las Vegas Convention is already taking shape, with a number of commitments already. Arrangements should be completed by June 15th for very reasonable jet plane fares, leaving from Boston on Friday August 31, 1983, stop-

Mr. Keith Parsons:

Quite some time ago I promised you three stories of Wall for use as you see fit. I have enclosed story number three.

Also included are Unit pictures of the men of the Medical Detachment of the 164th Inf. The first picture is the group while still in Bottineau, prior to induction and taken probably late January, 1941. I copied this picture while visiting Geo Stewart this winter. The second picture was taken after "US, Minn esota Draftees" arrived in Camp Claiborne, La. I used the same strange method of listing the names as in the first picture---from back to front. The third picture was taken at a reunion of the Med. Det. of the 164th in June of 1982. There is forty - one years between the first two pictures and the last one. I hope you can find good use of these pictures and names.

Also the four snapshots were taken this February while I visited in Calif. and Texas.

And the last item in this package is my dues

Sincerely,

Dear Keith:

A belated thanks for printing the roster of the 164th Band. As I said in my letter we are trying to gather some of the members of the Band for the Convention in October. Leo Swanson and Harry Vadnie have been in touch with me and it looks as though we will have enough members on hand to furnish some music.

As you know, we were a small group and time has taken its toll so we do not have as many members that are still playing but we were hoping that you might include a request in the newsletter asking any member that is planning to

attend the reunion to bring along their instrument and join us. If by chance any of the wives are instrumentalist we would also welcome their help.

So if they will contact me, we will keep them informed as to the plans and will see that they receive copies of the music we will be using in advance. In other-words, any one who is still blowing a horn is welcome.

I just put another letter in the mail to the band members and included in the letter and application blank for the Association. I do hope that will bring some new members as well as keep them informed on the Convention.

Looking forward to seeing you in October.

Dear Keith:

That was a super account of the first day and night on Guadalcanal, in the Dec. 1982 issue of the 164th Infantry News, "How Many Remember" by Ed Mulligan. I can easily identify with it. After all these years, it is interesting to learn the no. of shells fired, no. of ships (11) in the Japanese Armada etc.

Although I had a fox hole for the 2nd and 3rd night's shelling, it seemed worse than the first. As the nights wore on, you wondered how soon a shell was going to land in your hole.

I would like to see an account of the 3rd Bn's. march in the rain and darkness to the front line to reinforce the marines.

Sincerely,
Cliff Ottinger

Yes Cliff I too would enjoy an account of that move plus many more stories which we would be more than glad to edit and publish. I'm certain that each of you fellow's stories would prove to be of interest to your old buddies in as much as your story is important, because it's yours. Let's hear from you.
